

Gracious Heavenly Father, King of the Universe,

I come before you through Yeshua, Your Son, whose blood has ratified the covenant that gives me the right to access Your throne room and puts me in proper standing to be in Your presence.

I enter into Your gates with thanksgiving, I enter Your courts with praise, thanking You for all You are and everything You have done for me. You are gracious and merciful, blessing those that love You and keep Your commandments to a thousand generations.

You have given us good Instructions to know how to live and I confess that I have violated them in many ways. In First John 1 it is said that if we say that we have not sinned we deceive ourselves and in chapter 3 we read that sin is transgressing Your Instructions. Yeshua (Jesus), You advised us in Matthew 5 that we should agree with our adversary early before we are delivered to the Judge. So I agree that I have violated the instructions You gave regarding what I am lawfully allowed to put into my body (or the body of my children). As a living temple, a dwelling place for the Spirit of Yahweh, we are to keep ourselves from becoming defiled by what You consider to be an abomination.

At the time that Your Instructions were given, mankind had not yet produced the medical intervention we know as vaccines. However, we can read your Word today and see the the wisdom in applying Your Instructions to the practice of injecting these medications into our bodies. Seeing that injecting is likened to eating/consuming we know that You told us not to consume the flesh of animals defined as unclean in Leviticus 11 or the blood (RNA/DNA) or fat (substance of toxins/infections such as pus) of any animal in accordance with Leviticus 7, 17 and Acts 15. These things were never meant to be eaten and pass through our digestive tract, much less injected into our bodies. You also forbid the mixing of seed which is also relevant to the current medical interventions.

Please forgive me for any time I allowed these substances into my body (and those of my children). Sever me from any demonic or angelic entity that I might have opened myself or my family up to from taking in this unlawful flesh. Cancel every covenant that I might have been brought into through the consumption of unlawful flesh or drinking of blood. Apply the shed blood of Yeshua (Jesus) to every act of worship those medical interventions may have represented and remove from my body all foreign, offending DNA, RNA, frequencies, residues, toxins, parasites, viruses, bacteria, prions and all other material that is not healthful to my body and spirit. Any demonic spirit attached to the flesh or blood that I consumed must leave now, in the name of Yeshua (Jesus) and go to the place of the Lord's choosing.

I was wrong to believe that I could inject, swallow or inhale (nasal vaccine) items You expressly forbid on the basis that it would damage my health and defile my spirit, in the attempt to protect myself (or my children) from illness. I was confused and deceived and allowed myself to make decisions based on fear rather than trusting Your design and ability to keep me (and my children) healthy. Like King Asa (2 Chronicles 16), we have the tendency to turn to medical interventions before turning to You. Please help me to see You as the source of all health, even when You choose to work through healers, natural medicines, and other Biblically endorsed methods.

In addition, not only are these medical interventions produced using unclean practices and products, many of them also have been developed using human tissue. Not only do You expressly forbid killing our children, You also consider any consumption of human flesh or blood to be a serious violation of Your Instructions. In scripture, consuming human flesh and/or

blood (and especially that of children) was a sign of utter depravity, judgement and desperation and characteristic of the pagan cultures You vehemently oppose. The expression, “sacrifice your children and for you it will be well” is reinforced every time we use the cell lines of babies to develop medicines. I repent of that practice and ask that You would forgive me for not being aware of what I was doing or not understanding or caring about the ramifications of that practice.

I ask that you would release from my body, soul and spirit (and that of my children) any life essence or spirit that belongs to any human that was used in the production of any injection that I (or my children) have received. Yeshua (Jesus), if necessary, please remove any dead human spirit connected to this product and silence the blood that speaks out against me (or my children) with the Blood of Yeshua (Jesus). In the name of Yeshua (Jesus), I bind, rebuke and cast away from me (and my children) every and all satanic or demonic entities associated with this practice. I repent of every act of worship that Satan received and ask that You, Father, close every door, gateway, portal or access point that this has given to the enemy. I thank you that the Blood of Yeshua (Jesus) is of the highest currency and is sufficient for all blood guilt upon me (and my children).

You tell us in Galatians 5:20 and Revelation 18:23 that there is a connection between witchcraft and pharmaceuticals, so if I am guilty of practicing witchcraft or placing myself under any sorcery by using a pharmaceutical product, I ask that You would not only forgive me of that but also that You would release me from any influence or bondage I (and my children) might be under. Many pharmaceutical companies and products are the fruit of Satanic entities and practices so please reveal any strongholds in my life (and the lives of my children) that are active as a result of using these. I apply the Blood of Yeshua (Jesus) to every act of worship, covenant, open door, connection and unknown transgression or influence that is related to the use of pharmaceutical products.

I also repent of purposely receiving all harmful chemicals, heavy metals, toxins, pathogens (including weaponized), nano materials, nano machines, nano life forms and satanic information technology into my body. Help my body to purge these damaging substances and heal from any changes they might have caused.

### **Clause for those who took mRNA Injections:**

Father, You make it clear in Your Word that You alone are the Author of Life, that all the information that comes together to form our universe comes from You and outside of You nothing can exist. Psalm 139 makes it clear that You are the one that knits us together in the womb and fashions our inner parts - You are the source data for our entire being. With that being said, I must repent of allowing my body to receive any genetic information that did not come from You. I now recognize that our bodies (including our immune system) are perfectly designed to function according to Your plan and that any attempt to alter or “improve on” that design is an offense to You, our Creator. Forgive us for thinking that we could introduce new data into our bodies that would function better than Your design. I reject, by the authority of Yeshua (Jesus) of Nazareth, any way in which my DNA may be influenced, effected, altered, or instructed in any way, shape or form by any operating system, platform, network, data stream, information technology, artificial intelligence, remote control, remote access, telecommunications device, WiFi, app, program, nano substance, machine or life form, electromagnetic field, force or resonance, light device, directed energy technology, sound waves, radio waves, or any unmentioned or unknown object or entity in this realm, in this time and in all others. I forbid, by the authority of Yeshua (Jesus) of Nazareth, that my DNA or any

part of my body, soul and spirit, be used as a storage device for any weaponized pathogen or material and any Synthetic Kingdom or nano type device or information technology. Father, I ask that You would supernaturally prevent any back ups, reinstalls, or updates to any of the afore mentioned items and instead that You would pour over my entire body, soul and spirit the perfect 7 Fold Spirit of Wisdom and Understanding, Council and Might, Knowledge and the Fear of Yahweh: a godly download of information so that I can become only what You have created me to be.

Please restore my natural, God-given functions related to the hypothalamus, pineal gland, my spiritual senses and the bio-energetic systems and parts. I reject, renounce and cast out any and all dead human spirits, demonic entities and Satanic agents that have come into me or over me as a result of this injection. I fire all ungodly gatekeepers and ask that You, God of Israel, replace them with Your ministering spirits commissioned to protect my mind, body, soul and spirit and preserve Your perfect will for my life. Please forgive me for placing myself under the authority or influence of all ungodly entities by accepting this injection. Purify, repair and restore the proper function of my parts described in Ecclesiastes 12:6-7: my silver cord, golden bowl, pitcher and wheels along with the fountain and the well. Please release and remove me completely from the Enemy's kingdom and rescue me from his desire to bring death and destruction to me and my family.

Again, I trust in Your ability to restore, renew and redeem my life from the Pit. If there is anything related to the mRNA injections or any vaccine that I (and my children) have received that I have failed to mention, I petition You, King of Heaven, to issue a righteous judgement in my regard (and that of my children).

**\*\* End mRNA section \*\***

I ask, Father, that You would wash my body and cleanse my spirit from any and all sources of defilement. Thank You for the waters that flow from Your throne room where we can immerse ourselves and be presented as vessels fit for Your Spirit. I want to be a holy habitation for Your presence, so please come and fill me in ways that You have not yet.

Standing on the promise that You can take all things and use them for the good of those that love You and are called according to Your purpose, I appeal to this spiritual law and ask that You would use this prayer as an opportunity to make me more like Yeshua (Jesus). Thank you for writing Your Law on my heart and for giving me the opportunity to walk in Your ways.

Please protect me and my family from any future exposure to vaccine type products and give us the strength to stand according to our conviction in the face of hardship or persecution. Protect us in our ignorance and bring Your light to every scheme of the enemy to cause us to become unclean.

Thank you that our salvation is not through the keeping of the Law or works, but of grace, a free gift through the death and resurrection of Yeshua (Jesus) of Nazareth. I desire to obey Your Instructions as an expression of my salvation and my desire to please You. I thank You that this area of my life is now brought under Your obedience and is no longer accessible to the Accuser as a stronghold or cause for curse. I offer my body as a living sacrifice to be used in whatever way You choose and I ask for the health, strength and freedom necessary to fulfill the calling You have placed on my life.

I ask all of this in the power and authority of the name of Yeshua (Jesus), for His glorification and the advancement of His Kingdom. Amein
