<input checked="" type="checkbox"/> Parasites (flukes-general) (34)		

Stressed     
  Weakened     
  Symptomatic / Causal     
  Balanced     
  Retest     
 1 of 2

Re-establishing balance to the energetic pathways (that run through specific organs, glands, and tissues) may hold the key to restoring and maintaining optimum health. This approach is not looking for any particular disease state, and therefore no claim of diagnosis can be made.

Stressed     Weakened     Symptomatic / Causal     Balanced     Retest    2 of 2

Re-establishing balance to the energetic pathways (that run through specific organs, glands, and tissues) may hold the key to restoring and maintaining optimum health. This approach is not looking for any particular disease state, and therefore no claim of diagnosis can be made.
